

WAIVER AND RELEASE OF LIABILITY FORM

In return for being allowed to participate in the volunteer activities and all related activities, including any activities incidental to such participation (collectively, the “Volunteer Activities”), sponsored by the Engineering Projects in Community Service (“EPICS in IEEE”), a program of The Institute of Electrical and Electronics Engineers, Incorporated (“IEEE”) and the IEEE Foundation, Incorporated (the “IEEE Foundation”), I, Roberto de Souza Baptista (the “Volunteer”), agree not to sue EPICS in IEEE, the IEEE Foundation, IEEE or any of their respective subsidiaries, affiliates or agents and all such entities’ officers, directors, agents, employees, respective successors and assigns (collectively, “IEEE Entities”) for any present and future claims that may be made by me, my executors, administrators, heirs, next of kin, successors or assigns and I (A) waive, release and discharge from any and all liability IEEE Entities, including but not limited to, liability arising from the negligence or fault of IEEE Entities, for my death, disability, personal injury, property damage, property theft, or actions of any kind, including my traveling to and from this Volunteer Activity; and (B) promise to indemnify and hold harmless IEEE Entities from any and all liabilities or claims made as a result of participation in this Volunteer Activity, whether caused by the negligence of IEEE Entities or otherwise. I acknowledge that IEEE Entities are NOT responsible for the errors, omissions, acts, or failures to act of any party or entity conducting a specific activity on their behalf. I also acknowledge that IEEE Entities have not arranged and do not carry insurance of any kind for my benefit or the benefit of my executors, administrators, heirs, next of kin, successors or assigns.

I HEREBY ASSUME ALL OF THE RISKS OF PARTICIPATING IN ANY/ALL ACTIVITIES ASSOCIATED WITH THIS EVENT, including by way of example and not limitation, from dangerous or defective equipment or property owned, maintained, or controlled by IEEE Entities or because of IEEE Entities’ negligence or carelessness. I certify that I am physically fit, have sufficiently prepared or trained for participation in this activity, and have not been advised to not participate by a qualified medical professional. I certify that there are no health-related reasons or other problems which preclude my participation in this activity. I hereby consent to receive medical treatment which may be deemed advisable in the event of injury, accident, and/or illness during this activity.

This document represents the entire agreement between IEEE Entities and myself with respect to this subject matter. This release and all actions related to it shall be governed by the laws of the State of New York. This release shall be construed broadly to provide a release and waiver to the maximum extent permissible under applicable law.
